

Seconn – MORE THAN A FABRICATOR, A GAME CHANGER.

"WE BUILT OUR BUSINESS WITH THE PURPOSE OF BUILDING YOURS."

Robert J. Marelli Jr., President & Founder

Seconn
Fabrication
PRECISION SHEET METAL

www.seconn.com

COMPREHENSIVE AND CUSTOMIZED SOLUTIONS

Capabilities Not Pictured:
 Time Saving, Deburring,
 Tumbling, Rolling, Stud Welding,
 Spot Welding and more

Prototype Shop
 Dedicated resources to make your ideas come to life

Robotic Welding
 Produces high volumes at competitive pricing in steel and aluminum

Machine Shop
 Our machining solutions in milling, turning, boring, and drilling are customized to fit your needs

Assembly
 Cradle-to-Grave abilities with modular configuration to optimize one piece flow

Laser Cutting (Qty. 3)
 From one-offs to longruns- our lasers offer a first class finish, no investment in tooling, short set up, and great material yield

Punching
 An economical way to produce parts by eliminating secondary operations

Welding
 Steel, stainless, and aluminum, 12 stations, mig, pulse mig, tig, and ability to spot weld- steel and aluminum

Powder Coating Batch
 For your extra-ordinary projects any shape or size

Estimating and Engineering
 Projects reviewed by team from manufacturing, engineering, and estimating to ensure the most cost efficient manufacturing method and optimum design for functionality

Forming
 High velocity and accurate bending with network offline programming and tool navigator that dramatically increases throughput

Automated Laser Cell
 Cuts any shape with ease, speed, and precision equipped with 10-story automated work handling system for lights out production

Powder Coating Line
 10,000 sq ft *in-house* turnkey powder coating system with cross trained workforce to control quality, lead time, and cost from one piece to long runs, large or small

Silk Screening
 Creates savings for the customer with less handling, superior printing, and shorter lead times

Hardware Insertion
 Ability to insert multiple fasteners in a single part handling resulting in zero defects and increased efficiency through reduced cycle and set up times

Production Management
 Real time tracking, identifies issues before bottlenecks occur, enhancing communication internally and externally

Shipping
 Company owned fleet enhances on time, reduces shipping damage/lost in transit allowing us to be more responsive to your needs

WHY ARE WE A GAME CHANGER?

- One Stop Shop
- Two Week Average Lead Time
- 99.6% On Time
- Average Quote Turn Around in 48 hours
- 12 hour Customer Service
- Real Time Online Tracking
- Fastest Response Time in the industry
- Deliver on our own Fleet of Trucks
- Devoted Continuous Improvement Department
- Fast Prototyping and Shortrun Production Division
- Engineering/Design Services with R&D Partnership Forums
- Cross Trained Workforce and Multi-flex Shifts
- Lights Out Capabilities
- In Line Dedicated Generator to Run Entire Shop in Case of Emergency
- ROHS Compliant
- Open Book Management Strategy
- Plan for Succession
- Catastrophe Plan on File and Insured
- Green Procurement Initiatives

EXPERIENCE SECONN SERVICE-ORIENTED SPEED
